'Change It!'

You'll need four different coloured counters. Each colour represents a sound within the word.

Given a word, the pupil will change the initial, final or medial sound to form a new word.

Adult says: "This represents c/a/t (pushing three different coloured counters). Now change the /c/ to /p/. What new word do you have?"

e.g. If this says **c/a/t/** 🟥🟦🟩   change the **/c/** to 🟨🟦🟩

What new word do you have?

e.g. If this says **b/e/t** 🟧🟪🟩   change the **/t/** to 🟧🟪⬜
