

Weekly Learning for Year 3

27th April – Weekly Learning

One week project: Who was Neil Armstrong?

Keeping connected

We are really looking forward to keeping up to date with your learning! Feel free to share your work with us, discuss your learning or just say hi through email!

VictoriaEdwards@lhaines.herts.sch.uk

CorinneBygrave@lhaines.herts.sch.uk

Make sure you follow us on Twitter where we will be sharing extra activities and celebrating your work!

@MissEdwardsLHS or @MrsBygraveLHS

To stay in contact with your friends and teachers you can also head over to our Twiducate blog!

SPAG

Spelling

This week we would like you to focus on the year 3 spelling list words below. You can use the handout sheet to practise and try and write a sentence for each word.

Women, woman, weight, various, through, thought, though, therefore, surprise and suppose.

Grammar

This week we would like you to use the BBC Bitesize grammar lessons on identifying nouns and pronouns. These lessons include videos, interactive games and worksheets that you can complete at home.

You can find these lessons here:

<https://www.bbc.co.uk/bitesize/tags/zmyxxyc/year-3-lessons/1>

Don't forget to share your work with us!

Writing

This week we would like you to write your own poem about school. You can use the poem from the reading task to help and inspire you if you would like.

Remember to use the checklist to remind you of the characteristics of a poem.

- Rhyming words
- Alliteration
- Similes
- Onomatopoeia
- Powerful verbs and adjectives
- Vocabulary
- Where to place words

Reading

There is a video of Oti Mabuse reading this poem if you would like to listen to it too!

<https://www.bbc.co.uk/bitesize/articles/zb2k8xs>

Below is a poem about Mrs Butler (could it be Mrs Butler from LHS?)

Can you answer the questions below about the poem?

Please continue to use your Read Theory accounts.

Once you have made your own username and password, use the code we have given you to join your class. Oak: DN319YHN or Yew: RBCBWSX8

Maths Key Skills

Add and subtract 3 digit numbers

Count in 4,8,50 and 100

Know multiplication and division facts for 3,4 and 8x table

Tell time using a 12 and 24-hour clock

Tell the time to the nearest minute

Work with money both £ and p

Work out how much a number of items would cost and use subtraction to work out the change

Maths

There are some excellent Home learning resources that have been released online to support children in maths. If you use the following link there are some great online lessons available to all children which you may find useful. I would suggest starting with Week 1. All you need to do is watch the video and next to this there are some activities you can complete based on this lesson and the answers are below:

<https://whiterosemaths.com/homelearning/year-3/>

Can you also have a go at using your multiplication and division knowledge to answer the following word problems?

There are 6 eggs in a box.

How many eggs will there be in 4 boxes?

A large rowing boat can hold 8 people.

How many large boats are needed for 32 rowers?

If a child's zoo ticket cost £8 each, what would the total price be for 7 children?

Jigsaw

In Spring 1 during our Jigsaw lessons we had fun working as teams to create our own special gardens!

Your Jigsaw challenge this week is to design your own special home learning garden! Don't forget to label the different parts of your garden so we can see what each part is for.

Consider the following: who will use the garden? How can different parts of the garden be used for different aspects of learning e.g. Science, PE, reading, writing etc. Please share these!

Wellbeing

During this time you may be feeling scared, bored, frustrated or lonely, all of these feelings are completely normal. Everyone reacts differently and it is important that you take care of yourselves. Here are some things you can do which may help.

Spend time with your family.

Help your parent/carer to prepare the dinner.

Listen to some music together, or even sing together.

Watching your favourite movie together.

Keep in touch with your friends.

Keep Active

Please put aside some time to exercise every day this week.

Linked below are some great ways to stay healthy but a good, old-fashioned run outside is great too!

Cosmic Kids Yoga has lots of different videos that you can follow:

https://www.youtube.com/channel/UC5ulZ2KOZZeQDQo_Gsi_gbQ

Extra ideas for this week

- Read for 20 minutes every day, recording the names of the book with the number of pages read in your link book.
- Keep using your TT Rockstars, Mathletics and Spelling Shed accounts
- Check out Oak National Academy and BBC Bitesize for daily lessons!

<https://www.thenational.academy/>

<https://www.bbc.co.uk/bitesize/dailylessons>

Eco Activity

Find a plant you can adopt either in your house or garden. Name your plant, and then find out its botanical name. Use the internet to find out how to look after your plant: does it get enough sunlight (or too much)? How often does it need to be watered and how much water does it need? Are there any other useful tips on how to look after this plant?

You can make a how to guide on looking after your plant or you could simply share a photo of yourself and your plant with your teacher!

Project – Space

This week we are going to learn about Neil Armstrong the first man to walk on the moon.

Use the handout provided for you and these websites to research about Neil Armstrong:

<https://www.bbc.co.uk/bitesize/topics/zjwvb82/articles/zhx4k2p>

<https://www.bbc.co.uk/teach/class-clips-video/ks2-neil-armstrong/zr9tjlv>

Your task is to pretend you're a journalist interviewing Neil Armstrong and create your own newspaper article about it. You can do this on paper or on Purple Mash! Check your 2Dos on Purple Mash

History – The Norman Conquest

There is a new fantastic resource created for you called Oak National Academy. Here you can learn lots of different subjects in specially made sequences of lessons!

<https://www.thenational.academy/online-classroom/year-3/#schedule>

Have a go at learning about the Norman Conquest. Starting with the first lesson in: Week 1 Monday 20th April Norman Conquest Lesson 1. The second lesson in this sequence can be found in: Thursday 23rd April Norman Conquest Lesson 2

Computing

Our school has kindly been given access to an amazing learning resource called Purple Mash, which has lots of games and activities for you to utilise during the school closure. Miss Edwards and Mrs Bygrave sent your logins to you last week via email or on the message section of Marvellous Me. Please ask your teacher if you cannot find your login.

Once you have received your login, head over to the Purple Mash site:

<https://www.purplemash.com/sch/laurance>

Then click on the icon called '2Dos' to find your assigned work for this week.

Spelling practise: Look, say, cover, write, check

Look	Say	Cover	Write	Check	Write	Check	Write	Check
example			<u>exampel</u>	✗	example	✓	example	✓
women								
woman								
weight								
various								
through								
thought								
though								
therefore								
surprise								
suppose								

Now choose three of the words to write in a sentence.

1. _____
2. _____
3. _____

<p>Section 1 Start at 0. What number do you reach if you count six steps of 3? <input style="width: 40px; height: 20px;" type="text"/></p>	<p>Section 2 Calculate: 13 + 6 = <input style="width: 30px; height: 20px;" type="text"/> 12 + 5 = <input style="width: 30px; height: 20px;" type="text"/> 12 - 8 = <input style="width: 30px; height: 20px;" type="text"/> 19 - 12 = <input style="width: 30px; height: 20px;" type="text"/></p>	<p>Section 3 Two friends equally share 16 sweets. How many sweets do they each have?  <input style="width: 40px; height: 20px;" type="text"/></p>	<p>Section 4 Billy had £3. He spent £1.20. How much money does he have left? <input style="width: 60px; height: 20px;" type="text"/></p>
<p>Section 5 How much is eight 10ps?  <input style="width: 40px; height: 20px;" type="text"/></p>	<p>Section 6 Add together the number of sides a triangle has and the number of sides a circle has. <input style="width: 60px; height: 20px;" type="text"/></p>	<p>Section 7 What is half of six added to half of 10? <input style="width: 60px; height: 20px;" type="text"/></p>	<p>Section 8 One stamp costs 20p. What do three stamps cost?  <input style="width: 40px; height: 20px;" type="text"/></p>

Please Mrs Butler

*Please Mrs Butler
This boy Derek Drew
Keeps copying my work, Miss.
What shall I do?*

*Go and sit in the hall, dear.
Go and sit in the sink.
Take your books on the roof, my lamb.
Do whatever you think.*

*Please Mrs Butler
This boy Derek Drew
Keeps taking my rubber, Miss.
What shall I do?*

*Keep it in your hand, dear.
Hide it up your vest.
Swallow it if you like, my love.
Do what you think best.*

*Please Mrs Butler
This boy Derek Drew
Keeps calling me rude names, Miss.
What shall I do?*

*Lock yourself in the cupboard, dear.
Run away to sea.
Do whatever you can, my flower.
But don't ask me!*

Top tip!

Each question will follow the order of the poem so start at the top.

1. What is the name of the teacher?
2. What is the first thing Derek Drew does wrong?
3. Where does the teacher say the narrator should take their books?
4. What three things does the teacher say the narrator should do with the rubber?
5. What is the final complaint the narrator has about Derek Drew?
6. What does the teacher call the narrator in the last verse?

Neil Armstrong

Who was Neil Armstrong?

Neil Armstrong was an American astronaut famous for being the first ever man to walk on the moon.

His Early Life

Born in 1930, in the state of Ohio in the United States of America, Neil Armstrong worked hard to achieve his dream. He was only 15 years old when he received his pilot's licence and by the time he had left university, he had flown over 200 different aircraft! In September 1962, he was accepted to NASA's astronaut corps, where he knew he might one day go in to space.

Famous Words

Neil Armstrong died on 25th August 2012 but he will always be remembered for his famous words. As he stepped off his spacecraft, Apollo 11, on to the moon's surface, he was heard to say, "That's one small step for man, one giant leap for mankind."

Walking on the Moon

His first trip into space was aboard spacecraft Gemini 8 but it was in 1968 that he was offered the chance to command the space mission Apollo 11. This would be the first manned landing on the moon. After months of practice and preparation, the Apollo 11 spacecraft launched from the Kennedy Space Centre in Florida on 16th July 1969. Neil Armstrong along with Buzz Aldrin, landed safely on the moon. He became the first man to walk on its surface on 21st July 1969. The astronauts arrived home to Earth on 24th July 1969.
