

# Home Learning Nursery week beginning – 18<sup>th</sup> May 2020

## Word of the week – Minibeasts

### Phonics

The sounds that we have learnt so far are:

**m, a, s, t, d.**

Please encourage your child to copy those sounds.

This week's sound is 'i'

**Rhyme:** Down the body, dot for the head.

Find things around your house/garden that begin with the 'i' sound. Practice saying the 'i'. Trace the letter that makes the 'i' sound up in the air, on the floor, in your palm or on each other's back. Then try to write the sound 'i' on paper.

Challenge: How many objects starting with the 'i' sound did you find?

### Songs of the week:

'Incy wincy spider'

### Maths- Shapes

Make a triangle-you can make different size (big, small) triangles. When you are ready, describe the triangles using mathematical language such as sides and corners. Make a triangle out of any materials, for example; you could use natural resources, chalk, paint or household items. Please post a picture of your creation later

### Extra daily ideas

- Practice 'Incy Wincy Spider' rhyme – can you make some actions to go with the words?

- Take a walk around the garden, park or outside area. What minibeasts can you find? Try looking under plant pots or stones, looking on leaves or bushes or around some plants and flowers. You could draw a picture or take a photo of any minibeasts you find and upload it on Tapestry for us to see.
- Try making a model minibeast! You could use playdough or empty cardboard boxes and tubes.

### Jigsaw Jenie Relationships

This week is about keeping calm and the best ways of managing our feelings.

Talk about how to comfort someone who is feeling stressed, worried or upset. Draw different types of comforting someone e.g. hugs, cuddles.
