

Year Five Homework

Week Beginning: 13.07.20

Theme: Transition

Your Year 6 teachers would like to set you a task over the Summer holidays, please complete these over the holidays.

Remember to keep them safe and bring them with you in September.

Hello, Team Willow and Walnut.

We hope that you are all well and safe. We are really looking forward to teaching you in September. You have a very exciting journey ahead of you, and we look forward to accompanying you on it.

For your Summer learning, we would like to set you two Summer tasks.

Firstly, we'd like you to write a letter to your class teachers (either to Mrs Goss/Mrs Martin or Miss Haider) about yourselves. In your letters, you will need to introduce yourselves, your name, age and how long you have attended Laurance Haines. You can add where you were born and information about your family/siblings if you'd like. Your second paragraph will incorporate the things that you like such as your hobbies and things that you do not like. Your third paragraph will include the things that you are looking forward to in Y6 and the areas that you are a little worried about. You can end your letter with your hopes/ambitions and what you would like to achieve by the end of Y6. Don't forget - the school address will need to be written on the left-hand side of the page and your own address on the top right hand side of the page.

Secondly, we'd like to ask you to create a piece of artwork. For your artwork you have two options that you can choose from:

- a) Task A - Create a piece of artwork showing all of the things that you like love/like and things that you dream about. This can include your hobbies, foods that you like etc. For this task, you will need a white A4 piece of paper, colouring pencils/felt tip pens, magazines/newspapers. You will also need to either draw yourself or have a picture/photo of yourself in the middle of the page or on the bottom right hand side, and then a stream of colourful thoughts will need to flow from your 'head' to the end of the page. Take a look at the examples below for some guidance.

OR

- b) Task B – Create a collage using newspapers/magazines describing your personal qualities. For this you will need a white A4 piece of paper, colouring pencils/felt tip pens, magazines/newspapers. You will write 'I am...' in the middle of your page and then around it you will write/print all your wonderful qualities, such as kind, caring, polite, patient, brave etc. Take a look at the example below for some help.

As you come to the end of a very different year, it is a good time to reflect on your accomplishments, memories and what you have learnt. In years to come, you will be able to tell others about 2020 and what an extraordinary time it was! Fill this memory jar, or reuse a jar you have at home, and remember to add your hopes and dreams for next year too! We would love to see your memory jar. Please send them to beckyblackstaffe@lhaines.herts.sch.uk and lauraburrell@lhaines.herts.sch.uk
