

Weekly Learning for Year 3

11th May – Weekly Learning

One week project: Can you be a spacesuit designer?

Keeping connected

We are really looking forward to keeping up to date with your learning! Feel free to share your work with us, discuss your learning or just say hi through email!

VictoriaEdwards@lhaines.herts.sch.uk

CorinneBygrave@lhaines.herts.sch.uk

Make sure you follow us on Twitter where we will be sharing extra activities and celebrating your work!

@MissEdwardsLHS or @MrsBygraveLHS

To stay in contact with your friends and teachers you can also head over to our Twiducate blog!

Reading

Miss Edwards and Mrs Bygrave will be reading a story which you can watch by clicking the link on Twiducate, we hope you enjoy!

Below is an extract on vegetarianism.

Can you answer the questions below when you have finished?

Community Collage

This week please we would like you to take part in a 'Community Collage' and create a drawing on A4 paper with your arms stretched out. This will be included in a whole school project to show our togetherness. You can take a photo of your drawing or post it into school. We will then put all the drawings together at school and create one big collage.

SPAG

Spelling

This week we would like you to focus on the year 3 spelling list words below. You can use the handout sheet to practise and try and write a sentence for each word.

Question, quarter, purpose, promise, probably, pressure, potatoes, possible, possession, possess

Grammar

This week we would like you to use the BBC Bitesize grammar lessons on when to use apostrophes to join words. These lessons include videos, interactive games and worksheets that you can complete at home.

You can find these lessons here:

<https://www.bbc.co.uk/bitesize/articles/z4p2mfr>

Don't forget to share your work with us!

Maths skills

Add and subtract 3 digit numbers

Count in 4,8,50 and 100

Know multiplication and division facts for 3,4 and 8x table

Tell time using a 12 and 24-hour clock

Work out how much a number of items would cost and use subtraction to work out the change.

Maths

This week we would like you to focus on money.

We want you to focus on pounds and pennies.

You won't often see prices written in pennies for larger amounts. For that pounds are used.

Watch the video to see various menus and price tags, and learn how notation for money works in everyday situations.

<https://www.bbc.co.uk/bitesize/articles/znf4km>

Remember if you are going to the shops or helping with shopping and handling money make sure that you wash your hands.

Below there are also some questions that we would like you to answer

Writing

As this week is Vegetarian week we would like you to research and write a discussion piece the pros and cons of vegetarianism or you could share a recipe for your favourite vegetarian meal. If you wanted to extend this even further, we would love to see some pictures of you following this recipe and preparing the meal.

We would also like you to continue with your COVID-19 diary!

Jigsaw

For our jigsaw this week we are going to be thinking about we are going to be thinking about whose responsibility it is to do different jobs. Can a job mainly for men, women or both and think about why. Are there any roles that both men and women could do? Are there in fact any roles that cannot be done equally well by either men or women? Get them to question whether the conventional distribution of roles is necessary or just the result of tradition and habit. Have a look at the list below. Can any gender carry out these roles and why?

Wellbeing

It is important that you take care of yourselves and others during this time. Here are some things you can do at home which may help:

Try learning a new skill:

Sewing on a button

Making your own lunch

Baking a cake

<https://www.bbcgoodfood.com/recipes/collecti on/kids-baking>

A new language

<https://www.duolingo.com/>

Keep Active

Please put aside some time to exercise every day this week.

There are some fantastic videos on BBC Bitesize showing different dance s from other cultures.

We would love to see some videos of you trying them!

<https://www.bbc.co.uk/bitesize/topics/z7x3cdm/resour ces/1>

Eco Activity

This week we would like you to design a 3D model of your favourite animal using recycled materials.

Here are some examples!

The WWF has also released some lovely lessons and activities you could carry out too.

Project – Space

This week we would like you design a space suit. Space is a very challenging place to explore. There is no air and it can have extreme temperatures. To survive you need a suit that protects your body from the heat and the cold. They also need to be pressurised, meaning full of air. They are like tiny space ships for one. They need to have air conditioning, heating, air to breathe and water to drink, it even needs a toilet! Have a look at the example below and see if you can design your own!

History – The Norman Conquest

Here is the link for the final lesson about the Norman Conquest.

<https://www.thenational.academy/year-3/foundation/the-norman-conquest-lesson-5-year-3-wk3-1>

Computing

Our school has kindly been given access to an amazing learning resource called Purple Mash, which has lots of games and activities for you to utilise during the school closure. Miss Edwards and Mrs Bygrave have sent your logins to you via email or on the message section of Marvellous Me. Please ask your teacher if you cannot find your login.

Once you have received your login, head over to the Purple Mash site:

<https://www.purplemash.com/sch/laurance>

Then click on the icon called '2Dos' to find your assigned work for this week.

Beefless Burger

Is meat on the way out? Vegan and vegetarian options are becoming more and more popular!

Fast food restaurant chain Burger King has launched a new meatless whopper burger, using a meat substitute made from plants. It's designed to look, taste and feel exactly like beef.

So why are vegan and vegetarian options so popular? It's got a lot to do with climate change and with people's health.

Cows give off a lot of methane, which is a greenhouse gas.

Many people also say that vegan food is usually healthier. Others, however, say that a vegetarian burger might still have a lot of fat and salt.

Quick Questions

1. Find a word which means to have introduced something new.
- _____

2. Which greenhouse gas do cows give off?
- _____

3. Do you think that more restaurants will create vegan options? Explain your answer.
- _____
- _____

4. Summarise the news story in 15 words or fewer.
- _____

Section 1

Start at 0.

What number do you reach if you count:

Four 6s?

Five 7s?

Section 2

What do you add to these numbers to make 1000?

$$650 + \boxed{} = 1000$$

$$150 + \boxed{} = 1000$$

$$950 + \boxed{} = 1000$$

$$250 + \boxed{} = 1000$$

Section 3

A tray holds eight plants.

How many trays are needed for 72 plants?

Section 4

Guy has £7.

He buys a drink for £1.42 and a bag of crisps for 40p.

How much money does he have left?

Section 5

How much is five 20ps, two 10ps and six 2ps?

Section 6

Add together the number of sides a pentagon and a hexagon have.

Section 7

What is a third of 18 added to a quarter of 20?

Section 8

Each tin of beans cost 75p. What do three tins cost?

Washing the car

Walking the dog

Decorating the house

Washing up

Mowing the lawn

Mending the leaky tap

Building a wall

Hanging out the washing

Cooking dinner

Tidying up

Bathing the baby

Dusting and sweeping
