

## Weekly Learning for Year 2

### 20<sup>th</sup> April – Weekly Learning

#### One week project: Bread!

##### Spelling

Can you write a sentence using each of these words?

**Hear/here see/sea bear/bare** (Could you draw a picture to show the difference between them?)

**old, cold, gold, hold, told, every, everybody**

Don't forget your capital letter and full stop!

##### Jigsaw- Why do we have a family?

Can you make a list of all the people in your family and why each one is special to you?

You are going to create a recipe for your 'happy home cake'.

What ingredients will you need?

e.g.

- a pinch of laughter
- a tablespoon of kindness
- 500g of love

##### Year 2 key skills

Please practise:

- Counting in 2's, 3's, 5's and 10's
- Quick recall of 2/5/10 times tables
- Number bonds to 10 and 20
- Coin recognition
- Quick addition and subtraction of 1 digit numbers
- Telling the time
- Names of 2D and 3D shapes

##### Maths

$37 + 45 =$

$69 - 36 =$

$9 \times 5 =$

$36 \div 4 =$

$\frac{1}{2} \text{ of } 18 =$

$\frac{3}{4} \text{ of } 32 =$

$\frac{1}{3} \text{ of } 27 =$

Use your maths skills to answer the maths problems for today! Remember to imagine what is happening in the question.

You can always use Mathletics or Top Marks to practise your maths online.

##### PE

It is so important to stay fit and healthy during this time. Please put aside some time to exercise every day this week. Linked below are some great ways to stay healthy and active whilst indoors.

Joe Wicks is holding daily PE lessons over on his YouTube channel at 9:00am  
<https://www.youtube.com/user/thebodycoach1>

Cosmic Kids Yoga has lots of different videos that you can follow:  
[https://www.youtube.com/channel/UC5uIZ2KOZZeQDOo\\_GsiqbQ](https://www.youtube.com/channel/UC5uIZ2KOZZeQDOo_GsiqbQ)

##### Maths

Can you make a right angle gobbler?

Take a piece of paper and fold it in to quarters.

Open the paper and carefully cut out **one** quarter.

Draw a face on now go and hunt for right angles! (Make a list of everything you found that has a right angle).

Please see the photo instructions further down the page.

## Life skill – food preparation

Learn how to prepare your food with these processing skills:

- Cutting (using scissors)
- Peeling
- Grating
- Chopping

Remember knives are sharp so make sure you have an adult with you!

## Earth Day 2020

On Wednesday 22<sup>nd</sup> April it will be Earth day. This year will mark 50 years of Earth Day. The theme for Earth Day 2020 is climate action. As part of your learning, we would like you to

- Research what a carbon footprint is and how you can reduce yours? Create a poster of all the different ways to reduce your carbon footprint.
- Create a poster about how the environment has changed since the coronavirus lockdown. (less air pollution, the canal water in Venice is clearer, animals freely roaming their habitats)
- Can you write a persuasive letter to your favourite restaurant explaining why they should become eco-friendly?

## Keeping Connected

We are really looking forward to keeping up to date with your learning. Feel free to share work with us, discuss the learning or just say hi through email! [oliviagunner@lhaines.herts.sch.uk](mailto:oliviagunner@lhaines.herts.sch.uk)  
[katiesmart@lhaines.herts.sch.uk](mailto:katiesmart@lhaines.herts.sch.uk)

Make sure you follow us on twitter where we will be sharing extra activities for the children.

Twitter: @MrsGunnerLHS @MissSmartLHS

Head on over to our Twiducate blogs to catch up with your teachers and your friends!

## Bread

How many different breads can you find? What makes them all different? Where in the world do they come from? What are they like?

Try one type of bread and think of some adjectives to describe it. What does it look like, feel like and taste like?

Practise weighing and measuring and have a go at making some bread:

250g plain flour

2 tsp. baking powder

Pinch of salt

150ml water

Combine all the ingredients and mix in to a dough. Knead the dough in to a ball and divide in to 6 equal portions. Roll each one in to a ball to bake a bread roll. Place in the oven on 375F and bake for 30 minutes or until golden brown.

## #EcoSchoolsAtHome – Plants

Find a plant either in your house, garden or from your own research.

Can you find out its botanical name? use the internet to research how to look after your plant: does it get enough sunlight (or too much)? How frequently does it need watering and how much water does it need? Does it need pruning? Take a look at plant adaptations, how have plants adapted to suit their habitat (desert, rainforest, arctic)?

Share your work on twitter using the hashtag

**#EcoSchoolsAtHome**

## Computing

Our school has kindly been given access to an amazing learning resource called Purple Mash, which has lots of games and activities for you to utilise during the school closure. We will be sending out your personal logins via Marvellous Me – please ask your parents to check their Marvellous Me app to find your login. Once you have received your login, head over to the Purple Mash site:

<https://www.purplemash.com/sch/laurance>

Then click on the icon called '2Dos' to find your assigned work for this week.

### Section 1

$$26 + \square = 50$$

$$\square - 23 = 11$$

$$8 \times \square = 40$$

### Section 2

What 3D shape has six identical faces?

### Section 3

What is the previous day?

, Tuesday,  
Wednesday, Thursday

### Section 4

Which three coins add up to 16p?

### Section 5

How many halves are there?

### Section 6

Use the correct unit of measure for time.

The plane journey to America lasted for seven

### Section 7

Are the numbers below odd or even? Write O (odd) or E (even) for your answer.

$$57 = \square$$

$$82 = \square$$

$$61 = \square$$

### Section 8

16 is  less than 32.

# Recipe for a Healthy Fruit Salad

## You will need:

- 3 • one juicy, red apple
- 7 • three plump strawberries
- 10 • a handful of grapes
- 14 • one ripe banana
- 17 • any other fruit that you enjoy eating
- 24 • one cup of fresh, sweet orange juice
- 31 • a large, plastic bowl
- 35 • a sharp knife for an adult to use
- 43 • a spoon

## What to do:

- 48 1) Before you start, make sure that you wash  
56 your hands.

- 68 2) With help from a grown-up, cut up your fruit  
71 into small pieces.
- 80 3) Put the little chunks of fruit into a bowl.
- 90 4) Pour the orange juice over the fruit until it is  
92 all covered.
- 98 5) Mix the fruit salad and enjoy!

## Quick Questions

1. Number these instructions from 1 to 3 to show the order they must happen in.

- Wash your hands.
- Eat the fruit salad.
- Put the fruit into a bowl.

2. Which two adjectives has the author used to describe the orange juice?

\_\_\_\_\_

3. Why does the author say to cut up the fruit 'with help from a grown-up'?

\_\_\_\_\_

\_\_\_\_\_

4. How many strawberries do you need for the recipe?

\_\_\_\_\_

## How to make a right angle gobbler.

Please share your gobblers with us via twitter we cannot wait to see how creative yours will turn out.
