## Project of the week – Superheroes

### Word of the week– helpful

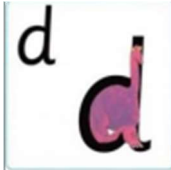

#### Phonics

It is important that when you support phonic recognition at home that you concentrate on the letter **sound** and not the **letter name**, as this is what we do at school. With regard to the letter formation it is also important that letters are formed in **lower case**.

#### Sound of the week:

**Rhyme:** Around the dinosaurs bottom, up his tall neck & down to his toes

Think of the 'd' sound- What items in your home begin with the 'd' sound? E.g door, drink, dining room, den, dinosaur etc

Draw some items that begin with 'd'

#### Jigsaw Jennie Relationships

##### Talk about friendships

Draw a picture of your friends and talk about each member.

How can we be a good friend?

Remember to share your work through Tapestry. It's a great way for us to keep in touch and for me to hear all about your child's learning.  
Many Thanks,  
Mrs Savage

#### Writing

Design a superhero –draw your superhero on paper. If you have any big paper such as a roll of old wallpaper, you could draw around a real person and draw in all their superhero body parts.

Design a mask –draw your own superhero mask from recycled materials.

#### Maths

##### My day

Share your routine of the day. What do you do **first**, **next**, **then** and **finally**?

#### Extra daily ideas

If you haven't got any superhero books in your collection at home there are lots online that you can watch. Here are some of our suggestions:

- Even Superheroes have bad days:
