OUR EARLY YEARS TEACHERS

MISS ROSE, EYFS PHASE LEADER/ NURSERY TEACHER

I am extremely proud to be the Early Years Leader here at Laurance Haines. I love sharing my passion of early years with my incredible staff team and watching our children learn, grow and have fun! I believe that all children deserve a better future and should be given exciting opportunities to become the best they can be. I have been teaching for 5 years and trained at Southbank University where I graduated with a first class degree in Primary Education.

MISS SMART, RECEPTION TEACHER

I am the reception teacher in Team Plum. I have been teaching at Laurance Haines for 3 years. I studied a degree in Geography before my PGCE. I love cooking, playing outdoors and being creative. I am passionate about children learning through fun and memorable experiences. I ensure that each child has the freedom to explore their own creativity enabling them to learn and grow.

MRS ABDULLAHI, RECEPTION TEACHER

I am the reception teacher in Pear Class. I am a newly qualified teacher with 5 years' experience working schools. I enjoy painting and decorating and I am passionate about creating an enabling environment that encourages independent learners. In my spare time, I like to cycle and love to experiment with cooking different cuisine.

WHAT OUR DAY LOOKS LIKE

BUSY FINGERS

The children start the day with busy fingers, a fine motor skills intervention. This helps the muscles to develop in our fingers.

MESSY PLAY

Children explore a wide range of different textures such as shaving foam, slime, cornflour and mousse.

MARK MAKING

Our children follow the letters and sounds phonics programme. This helps them to understand their letters and be able to write sentences. The children enjoy describing the marks they make..

CHILD INITIATED LEARNING

This is an important role in children's learning and development. Our children explore and learn from their own thoughts and ideas through the freedom and creativity that child-initiated learning and play enables.

WELCOME

At Laurance Haines, our Early Years Curriculum is organised into 7 areas of learning with a strong emphasis on active learning, play and exploration and creating and thinking critically.

Our staff plan the curriculum with emphasis on the children's interests, to ensure the children make good progress towards their goals.

Pupils experience a range of activities indoors and outdoors, whatever the weather to develop skills, knowledge and independence; they learn actively within a strong routine. Children will bring home regular information about what they are learning through weekly newsletters.

We treat every child as an individual and we look forward to welcoming you and your family to our school.

FREQUENTLY ASKED QUESTIONS

What do I need to bring every day?

Book bag, water bottle and coat

How do I communicate with the class teacher?

Speaking to them at the class door, email, parents consultations and our online portal [Tapestry](#).
