

## Five Ways to Wellbeing Activities

### Connect

- Make a card for a relative and friend and post it whilst out for your daily exercise
- Talk to someone in your class who you wouldn't normally talk to
- Start a conversation over breakfast, lunch or dinner

### Take Notice

It's important to practice your mindfulness like you do in school. This one is drifting clouds

<https://youtu.be/TS06oKHNF1A>

Look out your window... what do you see? Not just the ordinary things but the little things. Write a list of 10 things you notice

Keep a journal, like you do in school. Write down your thoughts and your feelings

### Keep Learning

Use Google chrome to create a 3D animal in your house. Find out about that animal. It's habitat, food it eats for example

Make a collage about the animal you chose with all the facts.

### Be Active

Joe Wicks is holding daily PE lessons over on his YouTube channel at 9:00am  
<https://www.youtube.com/user/thebodycoach1>

Balance a book on your head and walk around your flat or house. How long can you keep it balanced for

10 press ups in 10 secs. Up for the challenge?

### Give

Give yourself time. It is ok to relax and to let your self be.

Give a virtual high five to your friends online

Give the grown ups and your brothers and sister a smile.

# Parent Guide

The Five ways to wellbeing are simple things that we can all do to improve our emotional health and wellbeing:

- **Connect**
- **Be active**
- **Take notice**
- **Keep learning**
- **Give**

**Connect:** Spend time with family and friends. Enjoy doing things together and talking to each other.

**Be active:** It keeps you physically healthy, and makes you feel good

**Keep learning:** Try something new. Try a new hobby, or learn about something just because it interests you.

**Take notice:** Take a break to see how you feel. Relax and look around you or listen to music, take a few deep breaths.

**Give:** Do something for a friend or relation/adult, as well as making them feel good, it can make you feel good too!
