

23rd March – Weekly Learning

One week project: Christopher Columbus and Neil Armstrong

Spelling

Can you write a sentence using each of these words?

Don't forget your capital letter and full stop!

door, floor, poor, because, find, kind, mind, behind

Writing

Look at the photo. What can you see in the painting? Try to use adjectives and expanded noun phrases to describe what you can see.

Reading
Comprehension
sheet!

Year 2 key skills

Please practise:

- Counting in 2's, 3's, 5's and 10's
- Quick recall of 2/5/10 times tables
- Number bonds to 10 and 20
- Coin recognition
- Quick addition and subtraction of 1 digit numbers
- Telling the time
- Names of 2D and 3D shapes

Maths

$21 + 38 =$

$67 - 32 =$

$8 \times 5 =$

$30 \div 2 =$

$\frac{1}{2} \text{ of } 18 =$

$\frac{3}{4} \text{ of } 12 =$

Use your maths skills to answer the maths problems for today! Remember to imagine what is happening in the question.

You can always use Mathletics or Top Marks to practise your maths online.

Extra ideas for today

Read for 20 minutes

Read your favourite story to an adult or sibling and say why it's your favourite story.

How the Kangaroos Got Their Tails

11 A long, long time ago, two kangaroos lived in the country
20 now known as Australia. The large, brown kangaroo was
30 from the plains and the smaller, grey kangaroo was from
41 the hills. One day, the grey kangaroo really wanted to eat
53 some wild bush honey, so he followed a swarm of bees to
65 their hive in the hole of a rock. The grey kangaroo reached
76 inside and pulled out a handful of gooey honey. It was
85 delicious and now the big, brown kangaroo also wanted
95 some for himself. The grey kangaroo told him to reach
108 his arm right into the back of the hole to get the tastiest
113 honey. The brown kangaroo did
121 this but all he pulled out was a
126 handful of spiders. He had
128 been tricked!

Quick Questions

1. How do you think the grey kangaroo was feeling when he followed the bees?

2. Which was the largest kangaroo?

3. Find and copy the word that means the same as the adjective 'sticky'.

4. Number these facts from 1 to 3 to show the order they appear in the text.

- The brown kangaroo pulled out a handful of spiders.
- The grey kangaroo followed the bees.
- The grey kangaroo ate some wild bush honey.

Section 1

Find the missing numbers:

$$70 + \square - 100$$

$$\square + 80 - 100$$

Section 2

What's my number?

I have 2 digits.

My tens digit is the same as 6 - 3.

My ones digit is odd, and is one less than 8.

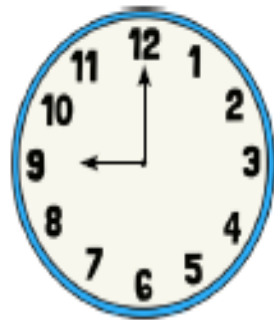

Section 3

I have 16 sweets. I share them between my 2 friends. How many will they each have?

Section 5

What time is the clock showing?

Section 7

Write down 2 facts about circles.

.....

.....

.....

.....

.....

Section 4

Make 14p using the fewest number of coins.

Section 6

Write these words in numbers:

sixteen -

forty-one -

twenty-two -

eleven -

Section 8

I have 14 toy cars. I give half of them to my brother. How many do I have left?
