

Year Four Preview Homework

Week Beginning: 10.09.2018

Theme: What does it take to be a superhero?

Spellings

Ask your parents or look these words up in a dictionary to find their meaning and then practise the spellings!

Myth	Cymbal
Pyramid	Lyrics
Crystal	Symbol
Bicycle	Gym
Cylinder	Egypt

Why not challenge yourself and see if you can put them into a sentence?

Writing

Next week, we will be learning about super hero biographies.

Spend some time over the weekend researching the lives of different super heroes.

Have a go at writing one for your own super hero creation. Consider:
How they became a super hero?
Why do they want to help others?

Topic

Next week, we will be learning about stop motion animation so that we can make our own super hero movies.

Spend some time researching how stop motion movies are made such as:

Wallace and Gromit
The Boxtrolls
The Isle of Dogs

Bring whatever you find to school next week!

Maths

Next week, we will be starting off with a times table challenge to see which times tables you already know. Spend some time over the weekend practising your times tables and choose one to have as your new times table target. Here are some good websites to get you started:

<https://www.topmarks.co.uk/maths-games/7-11-years/times-tables>

<https://www.timestables.co.uk/>

<http://www.crickweb.co.uk/ks2numeracy-multiplication.html>

<http://www.primaryhomeworkhelp.co.uk/maths/timestable/interactive.htm>

REMINDERS

Reading is **compulsory**. Please read every day and get an adult to sign your link book.

PE will be every Tuesday, however please make sure that your PE kit is in school every day of the week and washed at the weekend.

Palm class will start swimming lessons next Wednesday. Do not forget your swimming costume!
