Dear Parents and Carers

School Photographs

The school photographer will be visiting on Thursday 8th November to take photos of all the children individually.

If you would also like your children photographed as a family group (brothers and sisters in this school), please complete the form below and return by Friday 19th October 2018. We are sorry that due to time constraints, cousins or siblings not in school cannot be photographed as part of a family group.

If you do not return this slip by 19th October, we cannot guarantee that your children will be photographed as a family group.
