*NURTURING OUR COMMUNITY, THEREBY PROVIDING KEYS TO UNLOCK DOORS  
FOR A BETTER FUTURE*

16<sup>th</sup> January 2019

Dear Parents/Carers,

As part of our space theme, we are learning about how to make a healthy and nutritional meal which could be taken into space for astronauts to eat. As part of the unit, we will make our own space food and the packaging for it to go in to.

We are asking for a £1 donation from each child to help to buy all the ingredients we will need to make the space food but also for some taste testing and science experiments we will be carrying out. We would prefer the payment via School Gateway, although are able to accept cash.

Please send the contribution in by Wednesday 23<sup>rd</sup> January and give it to your child's class teacher.

Thank you for your continued support.

Kind regards,

Year 5 Team
