Year 2 Maths Information Meeting

15th March 2019

Dear Parents / Carers

Many parents have asked us which methods we use to support the children in Maths. We feel it would be beneficial to teach you the same techniques we teach the children so that you can support them at home. Working together at home will be very supportive for them.

On Thursday 21st March we will be holding an information meeting in the community room at 2:45 – 3:15 and in Hazel class from 6:00 – 6:30. Please speak to your child’s class teacher if you are unable to attend the meeting.

The meeting is for you to understand how we are teaching maths to the children and then to support your work with them at home.

We look forward to seeing you next Thursday afternoon.

Alison Moore, Olivia Gunner
