Watford FC Community Sports & Education Trust is committed through trained and competent staff to provide a safe learning environment. Whilst in our care all participants will be fully supervised, however football is a contact sport and injuries occur through no negligence of the coaches. We believe it is our responsibility to ask you to ensure the safety of the attendee by ensuring that they come equipped for a training course with trainers, football boots, shin pads, warm clothing and adequate drinks and food for the duration of the session as well as any medication they may require.

I have read and understood this statement and will ensure the attendees arrive with the appropriate equipment.
