

Pupil Premium Grant 2019-20

Census	January 2019
Total number of pupils on roll (census)	465
Total Number of pupils eligible for PPG	75
Amount of PPG received per pupil	£1,320
PPG income	£99000
EYPP PPG income	£2114
TOTAL PPG	£101114

The Pupil Premium Grant is additional funding to help schools diminish the attainment gap between children from low-income and other disadvantaged families and their peers. If a child has been eligible for free school meals (FSM) at any point over the past 6 years or has been continuously looked after for at least 6 months (LAC) the school receives an amount per head within their budget. The current amount is £1320 per pupil.

A provision is also made for children who have a parent in the armed services.

Key Priorities:

- To raise the attainment of all students in receipt of the Pupil Premium Grant.
- To bring the attainment of those in receipt of the Pupil Premium funding in line with the attainment of their peers nationally.
- To ensure pupils in receipt of Pupil Premium funding working at mastery level are challenged in order to attain the greater depth band.

What do we expect to see?

With regular and targeted support, all pupils, however financially disadvantaged, will continue to make improved progress. In line with previous years, this will lead to a diminished attainment gap between these pupils and their peers, both in school and nationally.

Barriers to learning:

Laurance Haines School serves an ethnically diverse community; the number of pupils from minority ethnic groups and pupils with EAL is significantly above the national average. Thus, many of our pupils start school with lower than average attainment; developing social skills and limited language acquisition can also impact on attainment. Furthermore, the school also supports social, emotional and behavioural needs.

Approach:

As a school, we have employed and established a number of strategies to enable pupils to overcome barriers to their learning. All staff members are aware of the pupils who are in receipt of the Pupil Premium Grant in their cohorts. Individual meetings between SLT and all teachers take place on a regular basis to allocate funding, set up interventions, record and review progress and attainment and to discuss the impact of interventions. On a daily basis, tailored sessions are offered to pupils in reading, writing and mathematics. By extension, there is a focus on providing a nurturing environment to meet social emotional and behavioural needs. Each intervention and group session is rated to ascertain if pupils have benefited from the support and what effect it has had on their progress and attainment. We will constantly monitor the arrival of new pupils and we are working as a team to get to know each child as an individual and build a relationship with the children and their wider family. We also recognise that some pupils will require additional support to meet social and emotional needs before they can

progress academically. Thus, we offer nurture provision, peer mentors, 1:1 support, Seasons and family learning. Another strategy will be to support children in engaging in the wider aspects of school life – the opportunity to take part in clubs, trips and residential school journeys, providing a richness of experience. For children with low self-esteem and confidence, completing physical challenges can provide knowledge that they can overcome a number of barriers and make them more willing to persevere and take a challenge in the future.

Action	What does this mean?	Monitored by	Cost from PPG funding	Specific intended outcome	Review by	Outcome Actual impact column
Senior Leader to monitor the progress of those children in receipt of Pupil Premium income (0.1FTE)	Using data analysis and pupil/teacher feedback JB will measure the impact of each action regularly and edit/change accordingly. JB to be present during pupil progress meetings and update tracking documents.	JB/SLT	£6810	To analyse the data on a half-termly basis to measure in impact of interventions and review the progress and attainment against targets. More able learners to be challenged through mastery activities.	JB Half-termly	
Appointment of additional teacher in Year 6 (0.6FTE) to support an underachieving group of pupils.	Teaching support in Y6 for Maths and English from skilled teachers for targeted PP children – group and individual teaching. <ul style="list-style-type: none"> • Booster sessions based on AfL. • 1:1 targeted support. • Small group interventions in reading, writing, SPaG and 	RM/Y6 team	£19690	Diminish differences between PPG and non PPG pupils nationally. Raise attainment and achievement in Y6 in English and Mathematics so that PPG pupils attain in line with their peers nationally, particularly at the Expected standard and Greater Depth standard.	JB Half-termly	

	<p>mathematics during the afternoon lessons.</p> <ul style="list-style-type: none"> Greater depth booster groups to be established. 					
To provide a Nurture Group.	<p>This is a small special class that provides a safe and predictable structured environment in which children are given opportunities to re-visit early missed 'nurturing' experiences. The nurture group also hosts a nurture lunchtime club where children who find lunchtime behaviour a challenge enjoy a 'safe' environment, allowing them to return to class in the correct mind-set to achieve in the afternoon. The nurture leader provides massage and drawing and talking therapy for individuals. This helps children help with underlying emotional difficulties that may be affecting their learning, behaviour, self-esteem and relationships.</p>	LB/VG	£10807 £19833	This helps children help with underlying emotional difficulties that may be affecting their learning, behaviour, self-esteem and relationships.	NF	
Appointment of PST lead (100%)	<p>To provide support for vulnerable children within the school in order to ensure safety and to break down barriers to learning, working in partnership with families, carers and children in a school context.</p>	NF	£37047	Raise self-confidence and self-belief in disadvantaged pupils, increase confidence to resolve conflicts so that learning is not disrupted and pupils develop resilience when challenged. Pupil voice and surveys to be analysed.	NF Termly	

Pupil Premium Personalisation	Parents to receive additional support of up to £100 with some school costs (e.g. School Uniform, School Trips (France), Stationery, Music Tuition, Swimming Lessons). Parents can also spend this allocated fund on non-school costs, (i.e. brownie/scout camp costs, learning software etc.).	SLT/Office	£2500	Enrichment opportunities presented to disadvantaged pupils. Improve social and emotional well-being levels.	JB	
EYPP	We have a clear approach to the use of specific Early Years Pupil Premium and plans are integrated into school support and improvement systems..	VA	£2114	These are monitored and evaluated regularly by the ETFS leader based upon current cohorts and in depth data analysis ensures that the correct support and strategies are identified to maximize progress	VA	
Provision of a breakfast club	Free breakfast club before school for all PP children, this will provide a balanced breakfast, the opportunity to socialise with the peers whilst sharing a meal. Opportunities for academic learning will also be available. SG	JB	£1000 £2561	Raise wellbeing levels and readiness for school. Encourage pupils to be independent. Provide a healthy breakfast with a focus on the social aspect of sharing breakfast in a group forum.	JB
