Our activity sessions are a chance to meet others, learn rhymes and enjoy stories whilst having fun together.

Baby Rhyme Time – a lively activity for tiny babies to active toddlers and for you to join in too!

Toddler Tales – for young children to enjoy listening to, and joining in with, stories and rhymes.

Weekend stories – for all the family

Stories with story sacks – explore a different story each week using props and puppets (run in partnership with Children’s Centres)

These activities are free; but we do welcome a voluntary donation of £1 per family.

Enjoy

Babies and young children enjoy books. Sharing books, stories and rhymes with your child is a great way to have fun together.

Looking at books together will help your child learn to talk, listen and to grow their imagination.

A story at bedtime is a comforting way to settle down at the end of the day.

Choose

In the library you will find a huge range of exciting stories to choose from including:

Board books to share with babies. The thick pages are also perfect for little toddler hands to hold.

Dual language picture books with words in English and various other languages.

Giant print picture books with Grade 2 Braille and enlarged pictures.

Stories to help your child understand new experiences.

Picture books, rhymes and stories for children as eBooks or audio books via the free eLibrary:
