## 16 DAYS TO GO!

Mrs Ball and Mr Gray have been training hard over the summer holidays in all kinds of different weather and in total have run more than 300miles/500km over July and August! Last weekend both Mrs Ball and Mr Gray did their longest runs of 22 miles each and are now in the last part of the training. They still have more than 200 training miles between them before the big day! We do know that all their hard work is worth it as we will be able to donate a significant amount to the Salvation Army which will in turn support our school community. We are so excited that the run will be in London and not a virtual run and this takes place on Sunday 3rd October.

If you would like to come down on the day please see Mr Gray, Mrs Ball or Mrs Furey who will be able to support you with the route and how to get there from Watford.

Thank you so much for your donations so far. We are so grateful for each penny as just a little can go so far. We are still quite far away from our fundraising goal and we are asking for your help. You can donate at any time by following the link to our just giving page. Please see the link below.

## FUNDRAISING EVENTS COMING UP

We have the following fundraising events coming up for our community:

- 1st October: we will be holding a cake sale in school for the children and after school for our parents. We will be asking for cake donations the week beginning 27th September and cakes will be available for the children to buy at break times on the day.
- 8th October: Hello Yellow day for Mental Health! Children to bring in £1 and wear yellow on the day.
- 14th October: Break the Rules Day! Children will be able to break some of the school rules that day like having juice in their water bottle and wearing trainers to school amongst others. More details to follow!

## DONATE HERE

Please use the following link to donate. We are so grateful for every donation -
