Maths

This week we have been learning about size. We have introduced the children to the following vocabulary;

Tall	Taller	Tallest
Short	Shorter	Shortest
Big	Bigger	Biggest
Small	Smaller	Smallest
Long	Longer	Longest

Challenge-

Using objects from around your home can you get the children to compare the different sizes.

For example, using a piece of pasta and a sock – which one is the biggest/smallest? Which one is shorter/longer?
