Spellings

This week, we are learning the 'n' sound spelt as 'kn' or 'gn'.

knock, know, knee, knew, gnat, gnaw

We will have a spelling test every Thursday.

Write down what each word means and put it in a sentence.

You could look in a dictionary!

Next week, we will be comparing numbers. Can you remind yourself of the more than, less than and equals to symbols.

To recap our learning from last week, you could play this game:

Everyday, we practise counting in 2's, 5's and 10's. The children could use a little bit of practise, especially when counting backwards.

Computing:

The children are finding it very difficult to type their chromebook logins. Please support them at home to type their email address and password. This can be done in a word document.

Make sure you log in to google classroom to see this weeks question!

Curriculum

Is Watford the Best Place to Live?

Next week is **Art week**. Can you have a look at artists such as Andy Goldsworthy, Hassan Hajjaj, Lorna Crane, Alice Fox and Nicole White. We are going to try and understand that artists find inspiration for artwork from their environment. Can you figure out which environment these artists are inspired by?
What do you like/dislike about their work?

Writing:

In our English lessons, we are going to be creating our own explanation texts. We will be learning how to use conjunctions to extend our sentences. Can you find out what conjunctions are and some examples of them.

Reading:

Please ensure you read and discuss your book at least three times a week, for 20 minutes a time, and that your link book is signed by an adult.

Extraordinary People:

This segment celebrates significant and extraordinary people throughout history, promoting the diversity which we are so fortunate to represent across our school community.

This week we are looking at Anthony Joshua. Please take the time to look this extraordinary person up and find out why you think they have been chosen!
