SPANISH

This week as part of your Spanish home learning, we would like you to compile and create a 'Language Log.' This could be a piece of A4 paper that you fold in half, or several pieces of paper that you attach. We would like you to keep a language log of all new Spanish words you are learning at home from school. You can organise this either by topic or in alphabetical order.

Curriculum

Next week we will be looking at Music! Warm up those voices and vocal chords and get ready for creating some music together.

We will first be focusing on the work of Glen Miller – have a listen to his work and maybe find out a bit more about his story – it is an interesting one. If you have any instruments at home you would like to bring in for the week – tuned or untuned, please feel free to bring them in to join our band! (Please ask permission before you bring things to school and ensure anything brought in is named).

Writing:

Next weeks writing involves looking at dialogue and sentence structure.

Can you turn the image on the next page into written dialogue? We will practice more next week but have a go for now!

Reading:

Please ensure you are reading at home with an adult, at least three times per week. Your link books needs to be signed and it will be checked on Friday.

Please also add any other reading you do as, at Year 6, we expect you to be reading to yourself too.

Extraordinary People:

This segment celebrates significant and extraordinary people throughout history, promoting the diversity which we are so fortunate to represent across our school community.

This week we are looking at David Olusoga! Please take the time to look this extraordinary person up and find out why you think they have been chosen!
