Curriculum

HOW CAN WE TRAVEL WITHOUT ROADS?

This week we have looked into the history of canals and how they were utilised in Victorian times for transport and trade. Most notably, we looked at The Grand Union Canal, it's proximity to Watford and how it fits into the area's rich history. Next week, we will be looking further into the Geography of this vast water-way. Do you know where the Grand Union Canal starts and ends? Refresh your memory on what a map is and what you might find on one.

Maths:

Next week, Year 6 will be completing our baseline assessments across Maths, Reading and SPaG. Please don't worry about or swat up for these tests – they are to assist us in identifying the gaps in the children's understanding to better steer the learning going forward.

Have a relaxing weekend and take in the historical events we will see on Monday without worrying about the week – leave that to the teachers!

Writing:

We will be continuing our work on the book *Wisp: A Story of Hope*. We are bringing together the skills from last week – metaphors, sentence structures and conjunctions, to create a narrative related to the themes in the story. Brush up on your ambitious vocabulary!

Reading:

Please ensure you read and discuss your reading, at least three times a week, for 20mins a time, and that your link book is signed by an adult.

Extraordinary People:

This segment celebrates significant and extraordinary people throughout history, promoting the diversity which we are so fortunate to represent across our school community.

This week we are looking at King Charles III! Please take the time to look this extraordinary person up and find out why you think they have been chosen!

Eco Matters:

Could you be the next Eco Warrior representative for your class? What qualities should you possess in order to be the best in your role? Why should your peers vote for you? Think about why you should be chosen and prepare for the vote!

Reminders

- Link books should be in school EVERYDAY! (Once we get them – haven't yet!)
- PE is on TUESDAY. Please ensure you have the correct kit in on that day.
- If you have any queries or questions, please contact us on year6@lhaines.herts.sch.uk
