

## **Lower Key Stage 2 Preview Learning**

**THE LHS BIG QUESTION:** (HALF TERMLY TOPIC THEME GOES HERE)

**W/B:** DATE FOR THE WEEK AHEAD

### **WHY COMPLETE PREVIEW HOME LEARNING**

Learning in any subject can be significantly enhanced by pupils undertaking work out of lesson time.

Pre teaching home learning - Research into pre teaching shows that previewing work can double the rate of pupil progress. The idea behind the weekly pre teaching homework is that through familiarisation, talking about and practising things at home, will enable a child to have a far higher rate of success when they come to visit a subject or task in class.

Preview home learning tasks are things that you can do together as a family, to give them a higher chance of succeeding in the week ahead. They do not need to be submitted to the class teacher but please do so if you feel your child would like to share their learning for out of class for the week.

Home learning will be emailed to parents on Friday afternoon's in a bid to support the school in going paperless.
