KEY STAGE ONE SPELLING

Dear Parents and Carers

Your child will learn to spell using the Read, Write Inc. phonics and spelling programmes in school.

However, in some English words, the spelling of the word doesn't appear to fit with the phonemes that children have been taught so far. These are often called 'common exception words' or 'tricky words'. In Years 1 and 2, children will learn to spell the ones that are used most often in writing. They include:

YEAR 1

YEAR 2

Please help us to support your child with their spellings of common exception words coming home each week on the preview homework.
