E SAFETY PARENTAL INVOLVEMENT

At Laurance Haines, we believe that it is essential for parents/carers to be fully involved with promoting eSafety both in and outside of school and to be aware of their responsibilities.

As a school we seek to promote a wide understanding of the benefits of new technologies, together with the associated risks.

As parents/carers we will:

- support the school approach to online safety and not upload or add any text, image, sound or videos that could upset or offend any member of the school community, or bring the school name into disrepute.
- ensure that my/our online activity would not cause the school, staff, pupils or others distress or bring the school community into disrepute.
- support the school's policy and help prevent my/our child/children from signing up to services such as Facebook, Instagram, Snapchat, Whatsapp, YouTube, OoVoo, YikYak and TikTok (musical.ly) whilst they are underage (13+ years in most cases).
- close online accounts if I/we/teachers find that these accounts are active for our underage child/children.

" FOR A BETTER FUTURE"

At Laurance Haines School, we:

- promote caring relationships as a foundation to ensure our community can develop to their full potential;
- encourage all to develop an awareness of self that inspires a growth mind-set to remain open-minded, resilient and to truly understand the power of 'yet'
- facilitate innovative and inspiring learning experiences which challenge and develop curious, creative minds;
- provide opportunities, based upon a foundation of trust, for taking risks by continuously preparing each of us for a rapidly developing world, and
- collaborate with respect and positive regard to ensure the wellbeing and happiness of all.
