Dear Parents and Carers,

New Catering Contract

We are very excited to announce that we have a new caterer 'Aspens' taking over from 'Chartwells' to provide the school lunches after the May Half Term.

Your lunches will still be cooked by the same catering team that your children know & love, but please see attached the new menu as well as a Family Information Pack & Newsletter that gives you an insight to who Aspens are.

Currently the procedure for paying for the lunches remains the same, as does the price. I take this opportunity to remind all families to ensure there are enough funds in your Childs/Children's Arbor account prior to the start of the week to prevent going into debt. However, if you need support or are struggling to pay for the meals please do reach out and speak to a member of my team in the office so we can see how we can help.

Thank you for your support and understanding.

Yours sincerely
