ITEM	ACTION
Some of the younger Councillors were unable to talk to their class about keeping themselves safe in the playground so Mrs Penny wrote a paragraph for them to read from or ask their teachers to read for them.	MP
It was suggested that an outdoor sign be made which shows each Year group's football and equipment day. It was felt this would stop any confusion. It was also agreed they could be displayed on our interactive display board in the Reception area.	MP
It was agreed Councillors would speak to their classes and ask everyone not to take house points home as there is a shortage of them in school.	Councillors
