Welcomed to the school council.

Handed out School Council contacts for children to read and sign.

Discussion about children ideas: more fundraisers, raise money for a water fountain, more money for equipment outside, more clubs for other interests, on hot sunny days have ice lollies for well-behaved children, have a greater variety of sports, have a friendship bench where children can sit if they are lonely, more variety of books in the library, ideas to play games for the inter-house competition, a mini bus to collect from home and take to school, to become more caring and help others, as school counsellors, to be aware of children who may feel lonely or upset and try and help them, worry box with slips of paper to write worries on – school counsellors to run, a workshop to prevent bullying (possibly to run this during the anti-bullying week).
