Discussions:

- Mrs Roach has been asked by Mr Gray to send a very special letter to someone who used to be Headteacher at LHS. Mrs Fennell led the school in the 1970s when there were two separate buildings for the infants and the juniors. She will be celebrating her 90th birthday so after a short discussion we have decided to make a card and write a letter explaining what LHS is like as a school now. Amelia and Gracie are very excited about this!
- What qualities would be like our new Headteacher to have? Mr Roach would like PLC to film their ideas so that he can add these to Twitter.
- Everyone had lots of ideas. Oyindamola talked a lot about the things that Mr Roach does well. She said he always smiles at me and says hello.
- PLC love going to show Mr Roach their work – it makes them feel proud. They would like the new Headteacher to praise their achievements in the same way Mr Roach does.
- We spent the rest of the meeting filming our ideas for the new Headteacher.

Next Meeting: Next week to complete the letter and send off.

Actions arising from meeting:
